

DS 501: Design in Virtual Reality Final Project Presentations

Friday May 10, 2013

5 to 8 pm

Wisconsin Institutes for Discovery
330 N. Orchard St.

The Design in Virtual Reality course, lead by Assistant Professor Kevin Ponto, focuses on creating projects and scenarios for virtual environments in the CAVE at the Wisconsin Institutes for Discovery. This course introduces students to the field of Virtual Reality and focuses on creating immersive, interactive virtual experiences.

FEATURED PROJECTS

5-6 pm

Travel to exotic destinations with the CAVE Archaeological Virtual Excursions project. See the pyramids of Egypt, a Museum in Taizhou, China, and a lost mountain temple.

6-7 pm

Enter the Haunted Hotel if you dare. Catch all of the ghosts before time runs out, or you just might find yourself a permanent guest at the Haunted Hotel.

7-8 pm

Test your virtual skiing abilities down the three unique mountain runs and stop by the mountain resort to warm up between runs.
